

CUBA VOLUNTEER FIRE DEPARTMENT

CONFIDENTIAL INFORMATION AGREEMENT FORM

CUBA VOLUNTEER FIRE DEPARTMENT

URINALYSIS TEST WAIVER

The **Cuba Volunteer Fire Department** has a urinalysis test requirement. It is designed to test for traces of drugs in a candidate's system, which would indicate recent use of drugs by the candidate. This test is not optional. You are required to submit to the test, which will be administered and analyzed by trained, qualified personnel. If the results prove positive for illegal drugs, you will be terminated from the selection process.

I, _____, for the purpose of applying for a position with the Cuba Volunteer Fire Department and as a part of the selection process to assist the department in determining my qualification as a prospective volunteer firefighter, do voluntarily and of my free will submit to a urinalysis test. I understand that results which indicate recent use of illegal drugs on my part will be sufficient reason for my termination for the selection process. I also understand that refusal to submit to this test will result in my termination from the selection process.

_____ I Agree to submit to the urinalysis test.

_____ I Decline to submit to the urinalysis test.
